

Sheet Music Library - Edge Case Tests

This document provides a series of tests to verify the rendering of edge cases in the sheet music library. Each test focuses on a specific aspect of music notation that may present challenges in rendering, as well as specific examples of buggy outputs provided from other developers.

Test 1: Dotted Note and Last 16th Note

Test 2: Multi-System First Ending with 8va, 15ma, Chords, and Fingerings

The next three measures contain a series of chords with accidentals (F#4, G#4, A#4) under a slur, with the word "cluster" above. The fifth measure contains a Bbmaj7 chord with fingerings 5, 3, 2, 1. The sixth measure contains a Bbmaj7 chord with the dynamic marking *ff* and the text *poco ten.* below. The piece ends with a double bar line.

A musical score showing multiple meter and clef changes. It starts in 5/8 time with a treble clef, changes to 7/8 time, then to 3/8 time with a bass clef, and finally to 3/4 time with a treble clef. The notation includes various note values and rests, with a double bar line at the end.
