

Sheet Music Library - Edge Case Tests

This document provides a series of tests to verify the rendering of edge cases in the sheet music library. Each test focuses on a specific aspect of music notation that may present challenges in rendering, as well as specific examples of buggy outputs provided from other developers.

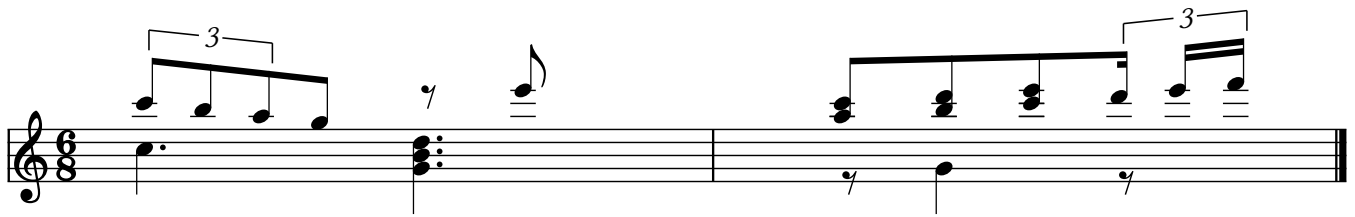

Test 1: Dotted Note and Last 16th Note

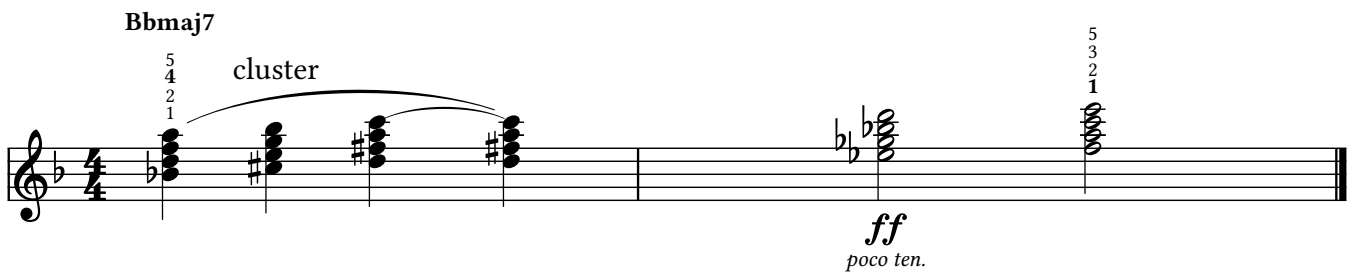

Test 2: Multi-System First Ending with 8va, 15ma, Chords, and Fingerings

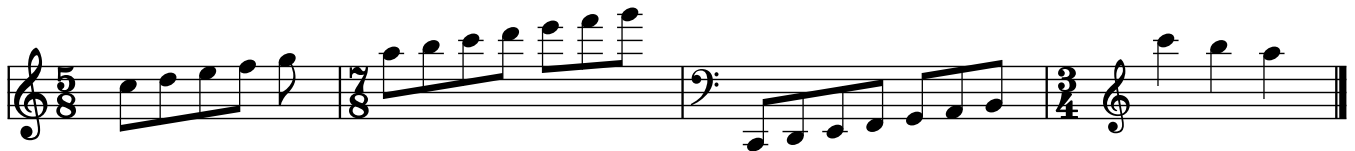

Test 3: Nested Triplets Inside Opposing Voices

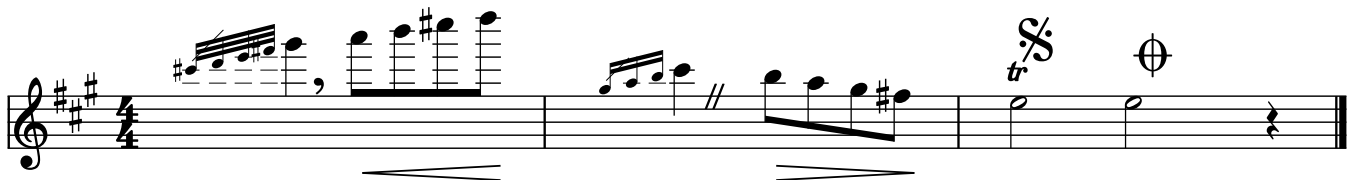

Test 4: Dense Chords with Accidentals, Slurs, Ties, and Text Stacks

Test 5: Inline Clef and Meter Changes Under Manual Spacing

Test 6: Grace Bursts, Slashes, Markers, and Hairpins

Test 7: Separate Staves with Synchronized But Unconnected Barlines

far end

The notation shows a treble clef staff with a double bar line at the end. Above the staff, there are five horizontal lines, with the top line having a small circle on it, representing a high note or a specific articulation.

2. short exit

The notation shows a treble clef staff with a double bar line at the end. Above the staff, there is a single horizontal line with a small circle on it, representing a short exit or a specific articulation.

Test 12: Deliberately Awkward Nested Tuplets and Voice Tuplets

The notation shows a treble clef staff in 4/4 time. It contains several complex rhythmic patterns, including nested tuplets (groups of notes beamed together with a bracket and a number) and voice tuplets (groups of notes beamed together with a bracket and a number). The patterns are designed to be deliberately awkward and challenging to play.

Test 13: Mixed Nested Spans Over an Ending

The notation shows a treble clef staff in 4/4 time. It contains a series of notes, some of which are grouped together with brackets, indicating nested spans or endings. The notation is designed to be challenging and to test the player's ability to handle mixed nested spans.

1. stack

top trill

The notation shows a treble clef staff in 4/4 time. It contains a series of notes, some of which are grouped together with brackets, indicating nested spans or endings. The notation is designed to be challenging and to test the player's ability to handle mixed nested spans.

Test 15: Extreme Ledger Lines, Inline Clefs, and Opposed Octave Lines

split register

This musical notation is in 4/4 time. The first staff is a treble clef with a key signature of one sharp (F#). It contains two groups of notes, each with a dashed line above labeled '8^{va}'. The first group has four notes, and the second group has four notes. The second staff is a bass clef with a key signature of one sharp (F#). It contains two groups of notes, each with a dashed line below labeled '15_{mb}'. The third staff is a treble clef with a key signature of one sharp (F#). It contains a single note with a dashed line above and below, labeled 'split register'.

Test 16: Grand Staff Ending Across Systems With Opposite Vertical Pressure

This musical notation is in 4/4 time. It consists of a grand staff with a treble clef and a bass clef, both with a key signature of one sharp (F#). The notation shows a series of notes across two systems, with a double bar line and repeat signs at the end of the first system.

1. upper volta

This musical notation is in 4/4 time. It consists of a grand staff with a treble clef and a bass clef, both with a key signature of one sharp (F#). The notation shows a series of notes across two systems, with a double bar line and repeat signs at the end of the first system. The first system is labeled '1. upper volta' and the second system is labeled '15_{mb}'. The notes are arranged in a way that creates opposite vertical pressure across the systems.

tr ~~~~~

A musical score for a trill in treble clef. The key signature has one sharp (F#). The trill is indicated by a wavy line above the first note, which is a half note. The notes of the trill are: F#4, G#4, F#4, G#4. The bass staff is empty.

end high

A musical score for a high note in treble clef. The key signature has one sharp (F#). The note is a half note, G#5, located on the top line of the staff. The bass staff is empty.

low end

A musical score for a low note in bass clef. The key signature has one sharp (F#). The note is a half note, F#2, located on the bottom line of the staff. The treble staff is empty.

2.

A musical score for a second ending in treble clef. The key signature has one sharp (F#). The note is a half note, G#4, located on the second line of the staff. The bass staff is empty.

2.

A musical score for a second ending in bass clef. The key signature has one sharp (F#). The note is a half note, F#2, located on the bottom line of the staff. The treble staff is empty.
