

Sheet Music Library - Edge Case Tests

This document provides a series of tests to verify the rendering of edge cases in the sheet music library. Each test focuses on a specific aspect of music notation that may present challenges in rendering, as well as specific examples of buggy outputs provided from other developers.

Test 1: Dotted Note and Last 16th Note

Test 2: Multi-System First Ending with 8va, 15ma, Chords, and Fingerings

Test 14: Dense Single-Staff Annotation Collision Stack

The musical notation for 'above chord' is in 4/4 time, featuring a treble clef, a key signature of one sharp (F#), and a common time signature. It shows a sequence of notes: a half note (F#), a quarter note (G), a quarter note (A), and a half note (B). Above the first four notes are the numbers 5, 4, 3, 2, 1, respectively. A bracket connects the first four notes, and the text 'above chord' is written above it. The text 'C13b9' is written below the first four notes. The text 'rest text' is written above the fifth note. The text 'below stack' is written below the fifth note. The text 'too' is written below the first note. The text 'many' is written below the fifth note. The text 'collision' is written below the fifth note. The text 'end' is written below the fifth note.

The musical notation for 'A cluster' is in 4/4 time, featuring a treble clef, a key signature of one sharp (F#), and a common time signature. It shows a sequence of notes: a half note (F#), a quarter note (G), a quarter note (A), and a half note (B). Above the first four notes are the numbers 5, 4, 3, 2, 1, respectively. A bracket connects the first four notes, and the text 'A cluster' is written above it. The text 'seconds' is written above the first four notes. The text 'too' is written below the first note. The text 'many' is written below the fifth note. The text 'collision' is written below the fifth note. The text 'end' is written below the fifth note.

Test 15: Extreme Ledger Lines, Inline Clefs, and Opposed Octave Lines

split register

This musical notation is in 4/4 time. It features a grand staff with a treble clef on the left and a bass clef on the right. The treble staff contains two groups of notes, each with a dashed line above it labeled '8^{va}'. The bass staff contains two groups of notes, each with a dashed line below it labeled '15_{mb}'. To the right of the grand staff, there is a single treble clef with a note on a ledger line above the staff, and a single bass clef with a note on a ledger line below the staff. The text 'split register' is positioned above the right-hand treble clef.

Test 16: Grand Staff Ending Across Systems With Opposite Vertical Pressure

This musical notation is in 4/4 time. It features a grand staff with a treble clef on the left and a bass clef on the right. The treble staff contains a series of notes that ascend across the system. The bass staff contains a single note on a ledger line below the staff. The notation ends with a double bar line.

1.

upper volta

This musical notation is in 4/4 time. It features a grand staff with a treble clef on the left and a bass clef on the right. The treble staff contains a series of notes that ascend across the system, with a dashed line above it labeled '8^{va}'. The bass staff contains a series of notes that descend across the system, with a dashed line below it labeled '15_{mb}'. The notation ends with a double bar line. The text '1.' is positioned above the first measure, and 'upper volta' is positioned above the second measure.

tr ~~~~~

A musical score for a piano in G major. The treble clef contains a trill on the note G4, indicated by a wavy line and the text 'tr'. The bass clef contains a whole note chord of G2 and B2. The key signature has one sharp (F#).

end high

A musical score for a piano in G major. The treble clef contains a whole note chord of G4 and B4, indicated by the text 'end high'. The bass clef contains a whole note chord of G2 and B2, indicated by the text 'low end'. The key signature has one sharp (F#).

2.

A musical score for a piano in G major. The treble clef contains a whole note chord of G4 and B4, indicated by the text '2.'. The bass clef contains a whole note chord of G2 and B2. The key signature has one sharp (F#).
