

Parser Unit Tests

Note Parsing

PASS: single note count PASS: note type PASS: note name PASS: note octave c' PASS: note duration

PASS: two notes count PASS: first note name PASS: sharp accidental PASS: second note name PASS: eighth note duration

Duration Stickiness

PASS: sticky duration count PASS: sticky duration value PASS: sticky duration value 2

Rests

PASS: notes with rest count PASS: rest type PASS: rest duration

Barlines

PASS: barline count PASS: barline type PASS: barline style

Double Barline

PASS: double barline

Final Barline

PASS: final barline

Repeat-Both Barlines

PASS: repeat-both long form PASS: repeat-both short form

Octave Markers

PASS: default octave PASS: one octave up PASS: two octaves up PASS: one octave down

Dotted Notes

PASS: single dot

Flats

PASS: b flat PASS: e flat

Inline Clef Changes

PASS: inline clef event count PASS: inline clef type PASS: inline clef value PASS: bass clef resets default octave

PASS: treble clef change inserted PASS: treble clef raises default octave

Inline Time Signature Changes

PASS: inline time signature event count PASS: inline time signature type PASS: inline time signature upper PASS: inline time signature lower

PASS: post-barline time signature type PASS: post-barline time signature upper

Crescendo / Decrescendo Spans

PASS: crescendo kind PASS: crescendo start flag PASS: crescendo end flag PASS: decrescendo kind PASS: decrescendo start flag PASS: decrescendo end flag

PASS: beam end before hairpin close PASS: hairpin close after beam end

PASS: hairpin closes on plain closing bracket PASS: hairpin does not leak past closing bracket

Trills

PASS: standalone trill attaches to note PASS: standalone trill has no line PASS: trill span attaches to enclosed note PASS: trill span marks line PASS: trill span start flag PASS: trill span end flag PASS: trill span does not leak past closing brace

PASS: multi-line trill keeps start flag PASS: multi-line trill keeps end flag PASS: multi-line trill closes before following note

Grace Notes

PASS: plain grace note is marked PASS: all enclosed grace notes are marked PASS: plain grace group has no slash PASS: plain grace group ends before main note PASS: grace notes keep accidentals PASS: slashed grace group sets slash flag PASS: slashed grace group marks all enclosed notes PASS: slashed grace group closes before following note

Endings

PASS: first ending starts PASS: first ending ends PASS: barline remains inside first ending span PASS: second ending starts PASS: second ending ends

Lyrics

PASS: lyric text strips trailing hyphen PASS: lyric hyphen continuation PASS: plain lyric marker carries previous state PASS: later lyric text parses PASS: lyric extender continuation

PASS: multiple lyric lines attach to one note PASS: second lyric line keeps extender state PASS: first lyric line carry placeholder PASS: middle lyric line carry placeholder PASS: later lyric line text survives placeholders PASS: apostrophes are preserved in lyric text PASS: lyrics can attach to chords PASS: chord lyric text parses

Text / Expression Text

PASS: text annotation attaches to note PASS: expression text attaches to note PASS: staff/expression text can attach to chords PASS: text annotation attaches to chord PASS: expression text attaches to chord

Manual Spacing

PASS: repeated spaces produce a gap event PASS: three spaces add two units of manual gap PASS: second repeated-space group also produces a gap event PASS: two spaces add one unit of manual gap

Staff Markers

PASS: breath mark parses PASS: caesura parses PASS: dal segno parses PASS: coda parses PASS: markers can attach to chords PASS: multiple staff markers can stack

Pitch Calculations

PASS: C4 diatonic PASS: F5 diatonic PASS: F5 treble top line PASS: E4 treble bottom line PASS: B4 treble middle line PASS: C4 below treble staff

Key Signature Accidentals

PASS: D major has 2 sharps PASS: D major has F# PASS: D major has C#

PASS: Bb major has 2 flats PASS: Bb major has Bb PASS: Bb major has Eb

All parser tests complete.
